Activity Card – Write!

Find a sample of visual art work that engages you.

Imagine you are looking the same view as the artist of this art piece. How would you describe what you see? What can you tell about the artist from the picture? What is the artist communicating about climate change? (Consider the artist statement too)

Write a journal entry from another point of view inspired by the visual art piece. What did you learn? What did you see or hear? What did you see today?
